

## Webinar: Health and Nutrition in Emergencies – Lessons Learned

**Tuesday 25th July 2017**  
**12pm–1pm UTC+1**

This webinar aims to raise awareness, generate discussion and share experiences about health and nutrition programming.

We will focus on:

- The key nutritional and health issues to consider during an emergency;
- The key lessons learned, and any practical advice that can be shared, from the experts' own experiences that can be used for current crises.
