AGENDA	DISCUSSION POINTS	ACTION
1. Review of any Actions coming from last meeting	GACOF update- may meeting (Agenda for next meeting)	
2. Tate Munroe- Mercy corps	Presentation : <i>Pathways from Peace to Resilience Evidence from the Greater Horn of Africa on the Links between Conflict management and Resilience to Food Security Shocks</i>	<ul style="list-style-type: none"> • Find presentation attached
3. Winnie Khaemba - ACTS	<p>Presentation : <i>Evidence based policymaking in climate change in Kenya</i> More information on ACTS can be found on WWW.ACTS-NET.ORG</p> <p>Matters arising from presentation: Why are we reactive to climate change issues? Comes from not being sure about what is climate change related. There is work that is being done, “attribution” by the Red cross and red crescent, in a bid to move from reaction to proactivity. There is need for more investment in research to establish models that help to confidently predict cause and effect patterns. Need for more anticipation in the area of Policy and Advocacy and adaptations Adaptation like resilience is a means to an end</p>	<ul style="list-style-type: none"> • Find presentation attached • Malika to follow up on “Attribution” and share with members also look into bring someone from the climate Centre. • Fiona (CARE) to share from the adaptation learning program.

4. Arnold NDMA presentation	<p>Presentation: Feedback from Kenya based DRR-CCA framework discussion.</p> <p>Matters arising: There are a number platforms for NGO's to engage in, Arnold to express DRR and CC's /NGO's desire to engage with the relevant groups he has links with. Climate change bill and policy discussions around harmonizing how things work- Arnold to share draft policy</p>	<ul style="list-style-type: none"> • Find attached documents from Arnold, i.e National DRR action plan, (NDMA –DTS presentation, Integrating DRR&CC in Kenya, Proposed TOR's for national planning) • Arnold to link us up with the various platforms that we can engage in as DRR &CC subgroup.
5. 2016 WORKPLAN	<p>Formation of sub-groups from the thematic areas. Need for people to join the governance subgroup – and a chair for it</p> <p><u>Malik :- Evidence group</u></p> <p>Objective – to do one study and two actions as follow up of the study. Need to gather the main studies that has been done in the past couple of years, come up with a list of common findings, and turn it into guiding principles for DRR and CC This will help to harmonize our work, to show some common principles by which we work. For donors and policy makers to have a summary of what agencies in the region are following or have agreed to follow. To review studies on drought, with principles in line with the existing frame works, i.e. Sendai framework, COP 21 etc. IAWG to commission and own the final product</p>	<p>CHRIS to share the work plan for inclusion in the website.</p> <p>DRR and CC involvement on midterm review to give input and to have the document officially endorsed. Hold two meetings: -One half day and the other a full day. Tentative dates: - Presentation of preliminary findings – 31st May Validation workshop – 24th June 2016 -</p>
6. AOB	<ul style="list-style-type: none"> • What should we do to have more members? How can we work to represent a broader spectrum to include private sector? Plans to make meeting more relevant • Resource mobilization - currently no strategic way to do it) Its often easier to get resources together than alone If there are people interested in resource mobilization talk to Melizza – melizsamugyenyi@worldanimalprotection.org • OCHA have an online platform to give training on how to Humanitarian can engage with the private sector. • • Next Meeting: 9th June 	<ul style="list-style-type: none"> - Members to send invites to colleagues who they think would benefit from the sub-group - Habon to link group with OCHA contact on training. - Melizza to spear head resource mobilization discussions

	<p>Agenda: Feedback from GACOF meeting in May – ICPAC representative – <i>Malik to follow up with Jasper</i> OCHA – engaging on private sector – Habon to connect us with the focal point Adaptation learning program – Fiona - CARE</p>
